Parent Newsletter - September 2026

Dear Parents and Carers,

It has been wonderful to see the school settle so quickly into the new academic year. The children have returned full of enthusiasm and positivity, and we are incredibly proud of how well they have adapted to new routines, expectations and learning opportunities. Classrooms have been busy, purposeful places and it has been lovely to see friendships being renewed and new ones formed.

Our Breakfast Club continues to provide a welcoming and energetic start to the day, with children enjoying time to socialise, play and prepare for learning. At lunchtime, pupils have been making the most of the range of clubs and activities on offer. These opportunities have ensured that children have plenty to do during their break times, helping them stay active, develop new interests and enjoy spending time with their friends.

This year, we are excited to be introducing new programmes of study across the school. Through the support of our new trust, we have been able to strengthen and enhance our curriculum to ensure that all pupils receive a high-quality, ambitious education that prepares them well for future learning. Our staff have been working hard to implement these developments, and we are already seeing children engage enthusiastically with the new learning experiences.

To help parents understand more about the curriculum their child will be following this year, we would like to invite you to a **Curriculum Information Evening** on **Thursday next week from 4:00pm to 5:00pm**. The event will take place in your child's classroom and will provide an opportunity to meet with teachers, learn about key areas of learning, and find out how you can support your child's education at home.

We hope as many families as possible will be able to attend and look forward to sharing our exciting plans for the year ahead.

Thank you for your continued support.

Uniform expectations have been great so far, but can we advise that children should not be wearing hooded or black jumpers. We are happy to support any family who may be struggling. Children in the incorrect uniform will be provided with a spare to ensure standards across the school do not slip.
