

Swaffham Meadow
Primary School

Swaffham Meadow Primary School

Dear Parents and Carers,

As we approach the end of another school year, I would like to take this opportunity to thank you for your continued support and partnership. Together, we have celebrated many achievements, overcome challenges and created wonderful opportunities for our children to learn, grow and flourish.

As we look ahead to September, we are excited to continue building the next chapter of Swaffham Meadow Primary School as part of the Sapientia Education Trust. Our vision remains clear: to provide a world-class education where every child is known, valued and encouraged to achieve their very best.

At the heart of our school are our new school values that we will refer to as our PRIDE values:

- **Persevere** – We keep going when things are hard.
- **Respect** – We are kind and thoughtful.
- **Improve** – We learn and get better every day.
- **Dream Big** – We aim high and believe in ourselves.
- **Everyone Together** – We support and include each other.

These values will continue to guide everything we do and help us create a nurturing, inclusive and ambitious school community where every child can thrive.

New Class Names for September

As we prepare for the new academic year, we are delighted to introduce our new class names. Inspired by meadow flowers found in nature, these names celebrate growth, beauty and the unique qualities that each child brings to our school community.

Foxglove Class – Mrs Young (KS2 Class)

Foxgloves are strong and resilient flowers that thrive in many different conditions. They remind us of the importance of perseverance, courage and always trying our best, even when things are difficult.

Swaffham Meadow
Primary School

Cornflower Class

Cornflower Class - Miss Rice (KS1 Class)

Cornflowers are known for their beautiful blue petals. The colour blue is often associated with Mary in the Catholic tradition, reminding us of our former school roots as well as the qualities of kindness, faithfulness and caring for others.

Marigold Class

Marigold Class - Mrs Tullis (Reception)

Marigolds are bright and cheerful flowers that have long been linked with Mary and are sometimes called "Mary's Gold". They remind us to bring joy, hope and positivity to our school community.

Looking Forward

We are excited about the opportunities that lie ahead in September and are confident that our new class identities will help strengthen our sense of belonging and community. The themes represented by Foxglove, Cornflower and Marigold complement our PRIDE values and will support our children as they continue their journey of learning and personal development.

Before then, I hope you all enjoy a wonderful summer break with family and friends. Thank you once again for your support throughout the year. It is a privilege to work alongside such a supportive community, and I look forward to welcoming everyone back in September for another exciting year at Swaffham Meadow Primary School.

On behalf of all the staff, I wish you a safe, happy and relaxing summer.

Yours sincerely,

Darryl James
